## Little KeyNotes Piano Class

Welcome to Little KeyNotes, where the world of piano unfolds through creativity and joy, tailored specifically for your young child. Our beginner piano program is not just about playing keys, it's a musical adventure that sparks curiosity and sets the stage for a lifelong love of music. Through singing, creating, playing, and reading, we make the journey of learning the piano an exciting and interactive experience. Enroll today and witness the magic of their musical progression as they tap into the world of keys with joy, enthusiasm, and a newfound love for music

### Key Learning Goals:

- **Creative Exploration:** Our innovative approach integrates musical concepts like pitch and dynamics with familiar themes such as farm animals, weather, and sea creatures. Each themed workbook transforms learning into a captivating journey.
- **Note Mastery:** Through playful exploration, your child will learn the notes of the piano, basic rhythms, and finger numbers. Our classes are designed to be both educational and entertaining, creating a holistic learning environment.
- **Technical Skill Development:** Little fingers gain technical prowess through our innovative piano classes. We focus not just on playing the piano but on building a strong foundation of technical skills that will serve your child well on their musical journey.
