Presents

Smart Art - Art Class

Your little one will only be little for so long; let us help you capture these precious moments together in an artsy way! In this class, you'll work together with your young artist to create adorable keepsakes to display at home or give as very special gifts. From artwork featuring your child's own little handprints to a darling self-portrait on a real canvas board and more, you'll treasure these mementos for decades to come.
